

# **Building Research and Education Collaborations among Tribal Colleges, Universities, and Agencies**

**Monday, October 29<sup>th</sup> 2007**

**1pm-4pm**

**DuBois Conference Center – Fremont Room**

**Organizers:** Marnie Carroll & Barb Cline, Dine College  
Amy Whipple & Diana Anderson, NAU

**Overall Objective:** To bring together a community of researchers, faculty, agency staff, and tribal officials to build on and improve collaborative research and academic bridge programs to help tribes build capacity to manage landscapes and ecosystems on tribal lands.

**Session Logistics:** Short invited presentations on successful models, panel discussion, and time to exchange ideas on potential future collaborations.
