

Arizona Singleleaf Pinyon Pine ("fallax"- type) Distribution

Produced By: USGS Global Change Research Program, "Past, Recent, and Twenty-First Century Vegetation Change in the Arid Southwest."
 Contributors: Kenneth L. Cole, George Ferguson, James Riser, John A. Cannella, and Samantha T. Arundel.

Additional Information: http://www.usgs.nau.edu/global_change/

Projection: Albers Equal Area
 Datum: WGS84

Map Prepared By: John A. Cannella
 Date Prepared: 12 May 2003
 Prepared At: U.S. Geological Survey,
 Southwest Biological Science Center,
 Colorado Plateau Field Station, Geospatial Technology Laboratory

Legend:

- "fallax" - type
- Rivers
- Lakes
- Roads
- States

Elevation:

- < 500 M
- 501 - 1,000 M
- 1,001 - 1,500 M
- 1,501 - 2,000 M
- 2,001 - 2,500 M
- 2,501 - 3,000 M
- 3,001 - 3,500 M
- 3,501 - 4,000 M
