

INTEGRATED WEED MANAGEMENT PRACTICES ON
THE COLORADO PLATEAU
WORKSHOP SURVEY

NAME:

JOB TITLE/ BUSINESS ADDRESS:

Thank you for attending today's workshop. Please take a moment to answer the following questions concerning the seminar. It is hoped that the survey will give the Forest Service an idea of the level of success concerning the workshop, and to stimulate ideas and considerations for future training courses on invasive weeds.

Do you encounter noxious weeds as part of your job? YES NO

If yes, what percentage of the time? <10% 10-25% 25-50% >50%

Have you previously been trained in invasive plant management? YES NO

If yes, what did the training entail?

What challenges and/or obstacles do you encounter in regards to weed management?

Will the training received today help future management? YES NO

Did the workshop effectively address best management practices in regards to project planning? YES NO

Did the workshop effectively address best management practices in regards to resource specificity? YES NO

Did the workshop effectively address best management practices in regards to risk assessment? YES NO

Please add any comments or suggestions that may improve future training courses on invasive weeds:
